Overview:

The following agenda presents the overview of the Agenda and structuring for the SLoCaT Annual Membership Meeting on January 8th 2018.

It is envisioned that the SLoCaT Board Co-Chairs Holger Dalkmann and Amy Kenyon would be leading the meeting and the senior staff members of the SLoCaT team; Cornie Huizenga, Talya Enriquez Romano, Mark Major and Karl Peet would be presenting different sections/sub-sections.

1. WOW! Presentation: An overview of the status of sustainable, low carbon transport in the world

The aim of the presentation is to provide the background information on;

- Evidence of need for action on sustainable development and climate change via sustainable transport
- Global agreements & processes which provide opportunities and venues of action for the SLoCaT Partnership to engage in
- SLoCaT's contribution to the discussion on sustainable, low carbon transport--what does/can SLoCaT Partnership bring to the table & how can SLoCaT contribute

2. Financial Management and Restructuring of SLoCaT Partnership

This section would focus on the overview of SLoCaT Financial Status explaining;

- The current challenges SLoCaT is facing

- The causes of these problem an
- The action plan being developed by the SLoCaT Secretariat with guidance from the SLoCaT Board

3. Review and Prioritization of SLoCaT Focus Areas

In this section, we plan to list the different focus areas we are working on and establish a priority ranking for different areas.

Focus areas under discussion would be:

- Climate-Mitigation
- Climate Adaptation
- Sustainable Development-Rural Transport
- Sustainable-Development Urban Transport
- Sustainable Development-Equity

4. Institutional Future of SLoCaT

In the final section of the meeting we would focus on the institutional future of SLoCaT with references to three main points:

- Relationship between SLoCaT/PPMC/TDA
- Role/Place of SLoCaT vis-à-vis SuM4All
- Future functioning of the SLoCaT Partnership and SLoCaT Secretariat
