What will be achieved by the time commitment is fully delivered (max 100 words):

All UIC members will have signed the Declaration on Sustainable Mobility, which is a collection of 18 commitments on sustainable development, including environmental, social and ethical business topics.

Briefly describe how will this commitment be achieved (max 200 words):

UIC is constantly promoting its members to sign the Declaration on Sustainable Mobility. We are a global association of railway companies, with around 200 members. Currently 50 of our members are signatories to the declaration. As part of the commitment we ask members to provide reports on their progress in implementing sustainable development. We also produce periodically a global summary of sustainable development in the railways - the first edition will be launched at Rio+20.

Date of Completion of commitment:

15 June 2013
