

UN DESA

**Open Invitation to “Results Framework for Sustainable Transport”  
a Side Event to the Open Working Group on Sustainable Development Goals  
7 January 2014 Conference Room 7 in the North Lawn Building**

*Co-organized by UNDESA, UN Habitat and SLoCaT partnership*

12:45 – 1:15 Light lunch and refreshments will be served in the hallway. Please sign the register

**1:15 - 2:45 Conference Room 7 in the North Lawn Building**

Since Rio+20 UNDESA, UN-Habitat and members of SLoCaT have been holding consultations on Transport in the post-2015 Development Agenda and possible formulations for a goal and targets supporting the multiple benefits and linkages of transport to economic growth including decent employment and poverty eradication as well as health, wellbeing and environment. This session will bring out the outcomes of these consultations to date and a draft Results Framework for Sustainable Transport supported by UN-Habitat, GIZ and DFID. The results framework will be put forward as a cohesive approach pursuing the multi-benefits that emanate from better transport system planning and implementation.
