**Organized By:**

### Day 1: Tuesday 12 April: Training on GHG assessment methodologies in Land Transport in Developing Countries

- |                  |   |
|------------------|---|
| 09.30 – 09.45 am | <i>Welcome Remarks.</i> Kee Yeon Hwang, President KOTI; Thomas Hamlin, UN-DESA; and Richard Samans, Executive Director Global Green Growth Institute  |
| 09.45 – 10.15 am | Introduction of Participants and expectations for the workshop  |
| 10.15 – 10.30 am | Coffee break  |
| 10.30 – 11.00 am | <a href="#"><u>“Avoid-Shift-Improve” approach: overview of policies and measures to mitigate climate change in transport and promote sustainable transport.</u></a> Holger Dalkmann, Transport Research Laboratory and Bridging the Gap Initiative                  |
| 11.00 – 11.30 am | <a href="#"><u>Co-benefits of Policies and Measures to reduce GHG emissions in land transport.</u></a> Harald Diaz-Bone, German International Cooperation(GIZ) and Bridging the Gap Initiative  |
| 11.30 – 12.30 pm | <a href="#"><u>Clean Fleet Tool-kit to assess GHG and co-benefits.</u></a> Sophie Punte and Alvin Mejia, Clean Air Initiative for Asian Cities  |
| 12.30 – 01.30 pm | Lunch break   |
| 01.30 – 03.00 pm | <a href="#"><u>Transport Emissions Evaluation Model for Projects to assess GHG and co-benefits.</u></a> Sophie Punte, CAI-Asia Center, Michael Replogle, Institute for Transportation and Development Policy and Alvin Mejia, Clean Air Initiative for Asian Cities |
| 03.00 – 3.30 pm  | <a href="#"><u>Case study: Estimation of greenhouse gas emission reduction through “Avoid Shift Improve” measures in Korea.</u></a> Seung Kook Wu, KOTI   |
| 03.30 – 04.00 pm | Tea break   |

16.00 – 17.00 pm Evaluation of training against expectations and formulation of recommendations on scope, contents and structure of future training on GHG and co-benefits assessment in transport sector

### **Inauguration of the Workshop**

18.00 – 18.15 pm Formal inauguration of workshop. Kee Yeon Hwang, President KOTI  
18.15 – 18.30 pm Short statements on behalf of the Organizers: Bridging the Gap Initiative; Partnership for Sustainable Low Carbon Transport; Asian Development Bank, African Development Bank and United Nations Department for Economic and Social Affairs  
18.30 – 18.45 pm Congratulatory remarks other organizations  
18.45 – 18.50 pm Short film: Sustainable Transport for All  
18.50 – 19.10 pm [National sustainable transport strategic plan in Korea](#). Sangjin Han, KOTI  
19.10 – 19.30 pm [International developments on transport and climate change in developing countries](#). Thomas Hamlin, UN-DESA  
19.30 – 21.00 pm Welcome reception

### **Day 2: 13 April: Launch of the SLoCaT/Bridging the Gap Transport NAMA Working Group**

08.30 – 09.00 am Objectives of the meeting and discussion of expectations for the day  
09.00 – 09.15 am [The role of NAMAs in mitigating climate change](#). Son Sung-Hwan, Ambassador for Climate Change, Republic of Korea  
09.15 - 09.30 am [Operationalization of the NAMA concept](#). William Kojo Agyemang-Bonsu, Secretariat United Nations Framework Convention on Climate Change  
09.30 – 10.30 am *Presentation of past and ongoing work on transport, climate change and NAMAs:*

- [Cornie Huizenga, Partnership on Sustainable Low Carbon Transport](#)
- [Michael Replogle, Institute for Transportation and Development Policy and Bridging the Gap Initiative](#)
- [TRANSfer project, Daniel Bongardt, German International Cooperation\(GIZ\)](#)

10.30 – 10.45 am Coffee break

10.45 – 11.00 am [National Environmentally Sustainable Transport Strategies as the basis for NAMAs](#). Choudhury Rudra Charan Mohanty , United Nations Center for Regional Development

11.00 – 11.10 am [African Development Bank actions on climate change mitigation and NAMAs in the transport sector](#). Dominique Etienne, African Development Bank

11.10 – 11.20 pm [Overview of \(transport\) NAMAs submitted](#). Harald Diaz, GIZ and Bridging the Gap Initiative

11.20 – 12.30 pm Panel discussion on the translation of emerging policy on transport and climate change in Transport NAMAs with short presentations by [Indonesia](#), [Egypt](#), [Mexico](#) and [South Africa](#)

12.30 – 13.30 pm Lunch

13.30 – 13.45 pm	<a href="#"><u>Application of current NAMA thinking to the transport sector: Challenges and Opportunities.</u></a> Stefan Bakker, Energy Research Center Netherlands
13.45 – 14.00 pm	<a href="#"><u>Presentation and discussion results SLoCaT/BtG online survey on transport NAMAs.</u></a> Cornie Huizenga, Partnership on Sustainable Low Carbon Transport
14.00 – 14.20 pm	<a href="#"><u>Goal, objectives of the SLoCaT/ BtG Transport NAMA working group.</u></a> Holger Dalkmann, TRL and Bridging the Gap Initiative
14.20 – 15.15 pm	Small group brainstorming on workplan SLoCaT/ BtG Transport NAMA working group: Goal, objectives, activities, structure, target group etc.
15.15 – 15.30 pm	Tea break
15.30 – 17.00 pm	Plenary discussion draft work plan workplan SLoCaT/ BtG Transport NAMA working group: Goal, objectives, activities, structure, target group, as well as next steps.
17.00 – 17.15 pm	<i>Recommendations from the workshop to the CSD 19 on Transport.</i> Thomas Hamlin, UN-DESA
17.15 – 17.30 pm	Closure of the workshop
